Cliff Pickover's RealityCarnival Reality Carnival: Clifford A. Pickover's Headlines at the borderlands of science: from parallel universes to exotic sushi to religion, science, and psychedelics. Our Divisions - Oxford University Hospitals "Oxford University" is a registered trade mark of the University of Oxford, and is used with the University's permission. **What are the most productive ways to spend time on the ...** *The most productive way to spend time on the Internet is to create or do something with it. Learning is good but at some point you just need to get dirty and start doing things.* **Anarchism - Wikipedia** *Anarchism is a political philosophy that advocates self-governed societies based on voluntary institutions. These are often described as stateless societies, although several authors have defined them more specifically as institutions based on non-hierarchical or free associations. Anarchism holds the state to be undesirable, unnecessary and harmful.. While opposition to the state is central ...* **bit-player | An amateur's outlook on computation and ...** *The hazards of gas service were already well known in the 19th century, when many cities built their first gas distribution systems. Gas in those days was not "natural" gas; it was a product manufactured by roasting coal, or sometimes the tarry residue of petroleum refining, in an atmosphere depleted of oxygen.* **Stop Adding Zeroes | Slate Star Codex** *Dylan Matthews writes a critique of effective altruism. There is much to challenge in it, and some has already been challenged by people like Ryan Carey. Perhaps I will go into it at more length later.* **Cane Exercises and Self-Defense: Guides, Bibliography ...** *This may be an embellished story of the creation of j?jutsu, as the oral tradition of Shint? Mus?-ry? is the only mention of this second duel, or for that matter, a person defeating Musashi in combat.*
