Education in the United States - Wikipedia Education in the United States is provided by public, private and home schools.. State governments set overall educational standards, often mandate standardized tests for K–12 public school systems and supervise, usually through a board of regents, state colleges, and universities. Funding comes from the state, local, and federal government. Private schools are generally free to determine ... Resolve a DOI Name *Type or paste a DOI name into the text box. Click Go.
