<https://www.tga.gov.au/clinical-efficacy-and-safety-guidelines> Elections and Technology - ACE Electoral Knowledge Network Elections and Technology. The introduction of information and communications technologies (ICT) into the electoral process is generating both interest and concern among voters, as well as practitioners across the globe. Type 1 diabetes: new perspectives on disease pathogenesis ... In the early to mid 1990s, optimism was high that knowledge about the pathogenesis of type 1 diabetes (insulin-dependent) would result in a method for disease prevention, perhaps by the end of the decade. Resolve a DOI Name *Type or paste a DOI name into the text box. Click Go. Your browser will take you to a Web page (URL) associated with that DOI name. Send questions or comments to doi ...* **Fact sheets / Minnesota Department of Human Services** *Fact sheets Fact sheets contain background information on a variety of human services topics.
