Duel at Dawn: Heroes, Martyrs, and the Rise of Modern ... In the fog of a Paris dawn in 1832, Évariste Galois, the 20-year-old founder of modern algebra, was shot and killed in a duel. That gunshot, suggests Amir Alexander, marked the end of one era in mathematics and the beginning of another. Duel at Dawn: Heroes, Martyrs, and the Rise of Modern ... Amir Alexander, *Duel at Dawn: Heroes, Martyrs, and the Rise of Modern Mathematics* (Cambridge, MA: Harvard University Press, 2010), 320 pp. Everyone is unhappy after his or her own fashion, but the font of possible stories is limited. Hence stories tend to flatten the many particular sorrows into a few single types of narrative misery. Duel at Dawn: Heroes, Martyrs, and the Rise of Modern ... *Duel at Dawn was a book that my historian sister suggested a long time ago. I was looking forward to read it, but still I did not expect such a thorough study. The book focuses on the transition in Mathematical studies from the Enlightenment to Romanticism, and identifies the duality that occurs in this process of change.* Amir Alexander. **Duel at Dawn: Heroes, Martyrs, and the ...** The University of Chicago Press.
