

## Safe Answers Surgery PDF

**Free [EBOOKS] Safe Answers Surgery PDF** Thu, 15 Nov 2018 03:05:00 GMT Patients & Consumers | Agency for Healthcare Research ... The WHO Surgical Safety Checklist was developed after extensive consultation aiming to decrease errors and adverse events, and increase teamwork and communication in surgery. The 19-item checklist has gone on to show significant reduction in both morbidity and mortality and is now used by a majority of surgical providers around the world. <http://www.who.int/patientsafety/topics/safe-surgery/checklist/en/> WHO | Tools & resources The WHO Surgical Safety Checklist and implementation manual are available for download in English, French, Spanish, Arabic, Russian and Chinese. The WHO's checklist is not intended to be comprehensive, and additions and modifications to fit local practice are encouraged. Click here to see how others ...
