The history of video games goes as far back as the early 1950s, when academic computer scientists began designing simple games and simulations as part of their research or just for fun. At M.I.T. in the 1960s, professors and students played games such as 3D tic-tac-toe and Moon Landing. These games were played on computer such as the IBM 1560, and moves were made by means of punch cards.

https://en.wikipedia.org/wiki/History_of_video_games History of Hinduism - Wikipedia History of Hinduism denotes a wide variety of related religious traditions native to the Indian subcontinent. Its history overlaps or coincides with the development of religion in Indian subcontinent since the Iron Age, with some of its traditions tracing back to prehistoric religions such as those of the Bronze Age Indus Valley Civilization. It has thus been called the "oldest religion" in the ...
