They start as a conscious decision, but ultimately the loop can reinforce itself. Over time, you may end up losing full control over your behavior – with a cue, your brain goes into autopilot and executes the routine. Gates of Vienna As a follow-up to Tuesday's post about the majority-minority public schools in Oslo, the following brief account reports the latest statistics on the cultural enrichment of schools in Austria. Vienna is the most fully enriched location, and seems to be in roughly the same situation as Oslo.
