The Failure and the Future of Accounting: Strategy ... *The Failure and the Future of Accounting: Strategy, Stakeholders, and Business Value - Kindle edition by David Hatherly. Download it once and read it on your Kindle device, PC, phones or tablets.*

The Failure and the Future of Accounting: Strategy ... *In The Failure and the Future of Accounting, David Hatherly rethinks accounting in the light of a financial crisis which exposed its limitations. He reminds us that in the run up to 2008 the accounts of financial institutions reported increasing profits and healthy balance sheets whilst their business models were undermining their own financial ...*

The Failure and the Future of Accounting: Strategy ... *Coordinating business as strategy, business as a stakeholder network and business as value, the four slice (4S) accounting model overcomes the complexity and incoherence of existing accounting standards. It allows managers and shareholders to analyse the effectiveness of the business model and for management to be held to account.*
