Reynolds III is a prolific writer who has taken his love of the first coast and woven it into many of his books. His Jetty Man Series is a best selling collection of stories that take place in Mayport Florida that have been termed as Southern Gothic. Jetties - Geoblox As with other man-made structures built along coastlines jetties tend to disrupt the natural equilibrium of deposition and erosion. A longshore current will deposit sediments on the up-current side of the jetty. On the down-current side, the lack of sediments, and reduction in deposition, may result in beach erosion.
