China–United States relations - Wikipedia Blue book or bluebook is a term often referring to an almanac, buyer's guide or other compilation of statistics and information. The term dates back to the 15th century, when large blue velvet-covered books were used for record-keeping by the Parliament of the United Kingdom. The OED first records such a usage in 1633. The term has a variety of other meanings. https://en.wikipedia.org/wiki/Blue_book
United States of America – Travel guide at Wikivoyage The United States of America is a vast country in North America. It borders on Canada to the north and Mexico to the south, and has a land area of about 9.6 million km² (about half the size of Russia and about the same size as China). It also has the world's third-largest population, with more than 320 million people. It includes densely populated cities with sprawling suburbs and vast ...
