Marketing - Wikipedia *Definition. Marketing is defined by the American Marketing Association as "the activity, set of institutions, and processes for creating, communicating, delivering, and exchanging offerings that have value for customers, clients, partners, and society at large." The term developed from the original meaning which referred literally to going to market with goods for sale. From a sales process ...* **Facebook Business: Marketing on Facebook** Facebook Business gives you the latest news, advertising tips, best practices and case studies for using Facebook to meet your business goals. **Experian Marketing Services** Whether you're a brand, agency, or publisher, Experian wants to help you put people at the heart of your business.
