The Functions of Role-Playing Games: How Participants Create Community, Solve Problems and Explore Identity ... <https://www.drivethrurpg.com/product/102295/The-Functions-of-RolePlaying-Games-How-Participants-Create-Community-Solve-Problems-and-Explore-Identity> The functions of role-playing games : how participants ... Although mainstream media channels often dismiss involvement in role-playing games as escapist and potentially dangerous, role-playing actually encourages creativity, self-awareness, group cohesion and "out-of-the-box" thinking--all valuable cognitive and social skills that remain useful in the real world. The Functions of Role-Playing Games: How Participants ... An interesting book and one of the first of its kind, The Functions of Role-Playing Games tackles the psychological aspects of tabletop RPGs and LARP. The first 5 chapters can be a little dry for experienced RPG hobbyists, but chapters 6 and 7 where the author finally gets to stop laying groundwork and actually is able to start doing some ... The Functions of Role-Playing Games: How Participants ... *The Functions of Role-Playing Games: How Participants Create Community, Solve Problems and Explore Identity - Kindle edition by Sarah Lynne Bowman. Download it once and read it on your Kindle device, PC, phones or tablets. The Functions of Role-Playing Games: How Participants ... This study takes an analytical approach to the world of role-playing games, providing a theoretical framework for understanding their psychological and sociological functions. Sometimes dismissed as escapist and potentially dangerous, role-playing actually encourages creativity, self-awareness, group cohesion and "out-of-the-box" thinking. The functions of role-playing games : how participants ... The functions of role-playing games : how participants create community, solve problems and explore identity. [Sarah Lynne Bowman] -- "This analytical study takes a deeper look at the world of role-playing games, providing a theoretical framework for understanding their more acute psychological and sociological functions. Do Table Top RPGs have measurable benefits? [Solved] The functions of role-playing games: How participants create community, solve problems and explore identity. McFarland.*
